## Moving Forward

Dear Islanders:

There is much to report since the last issue of *Active Islander*. The renovations at the Key Biscayne K-8 Center—including classroom lighting retrofits and the installation of a new air conditioning system—have been advancing well. More importantly, these improvements, which will continue through the summer, have had minimal impact on students at the school. In addition to these ongoing renovations, the Village is actively pursuing viable solutions to address the center's overcrowding issues, including ways to reconfigure classrooms and other common areas. Stay tuned for more updates on these projects in the weeks to come.

**John C. Gilbert**  
Village Manager

A committee comprised of individuals from Key Biscayne, as well as parents and students from the M.A.S.T. Academy, participated in two workshops with the architectural and engineering firm tasked with designing the new M.A.S.T. high school structure. All stakeholders should be commended for their ongoing participation on this project, which has undoubtedly helped speed things along. In fact, we are now in the process of obtaining all of the necessary permits for the new M.A.S.T. building. Groundbreaking on the construction should commence in the late spring or early summer, keeping us on track to open the facility in September 2015, just in time for the 2015-2016 academic school year.

Sea turtle nesting season officially began on April 1st, and as a result, we are enforcing the Village's Lighting Ordinance and related beach maintenance programs through October 2014. These environmental efforts are pivotal in protecting the turtles' nests, and we thank all residents for their cooperation during the months the ordinance is in effect. Please remember that it is illegal to touch or disturb nesting sea turtles, hatchlings or their nests.

June 1st, the official start of the hurricane season, is fast approaching. As a result, we are working diligently to ensure all Village departments, Village employees and Key Biscayne residents are properly prepared for hurricane season. Part of this process will include meeting with condominium presidents and association representatives to ensure all high-rise buildings on the island are safe and secure. An updated hurricane plan will be uploaded to the Village website on or before May 31. Please check the site at [www.KeyBiscayne.fl.gov](http://www.KeyBiscayne.fl.gov) periodically for updates.

Lastly, we are in the process of preparing for the upcoming budget session. I have already begun meeting with the department directors in preparation for the June budget workshop. Once those meetings are completed, we will inform Council and the community of any pertinent budget information so all are ready for the first budget hearing in September.

Wishing all of you a safe and fun-filled summer.

John C. Gilbert  
Village Manager

## Interested in joining TKA?

Please contact Coach Gaby at 786-200-6717 prior to registering.

Practice days and times are subject to change.

If you love swimming and are willing to work hard to improve on the skills necessary to take your swimming strokes and water polo game to the next level, then Team Key Aquatics (TKA) is definitely for you. TKA is a dynamic aquatic program dedicated to the future of its athletes. In addition to having fun, coaches strive to develop athletes through fundamental swimming and water polo skills that will maximize their potential. TKA will further strengthen each swimmer's athletic arsenal by preparing him or her for their high school swimming and water polo seasons. One of the many goals at TKA is to give young athletes the tools and skills necessary to successfully compete at the high school level.

TKA has introduced a method of cross-training called Swimfit that will allow every athlete to reach his or her prime fitness level. Seamlessly mixing aquatic training with dry-land exercises, TKA coaches will train their athletes in the art of balancing swim stroke training and dry-land workouts at every crew level. Swimfit is a conditioning program that mixes swim stroke training, swimming sprints, running sprints, pushups, pull ups, sit ups, squats, lunges and other functional movements. The more muscles worked, the more calories burned. The group workouts are short, highly intense and constantly changing, making them fun, yet challenging. As coaches, we strive to make our athletes functionally fit.

## Pool Party Packages

TKA is now offering Innertube Water Polo Pool Party packages. For birthday parties and other special events, families, friends and guests can enjoy organized fun and entertainment. ## HISPANIC THEATRE EVENT

Part of the XXIX International Hispanic Theatre Festival of Miami, **Guyi-Guyi** will be presented by Teatro Avante at the Community Center. Guyi-Guyi is a crocodile that happens to be born into a family of ducks. He lives happily with his family until one day he meets a crocodile. When he learns that crocodiles eat ducks, Guyi-Guyi faces challenges that ultimately allow him to be himself. This bilingual puppet theatre production is an entertaining story about the search for identity, the fear of differences and the prejudices that face those who behave in ways other than what we expect. The event is presented in partnership with the Key Biscayne Community Foundation and the Village of Key Biscayne.

<b>Date</b>	Saturday, July 19
<b>Time</b>	5:30 p.m.
